

APPLICATIONS TO GUERNSEY SPORTS COMMISSION SPORTS RECOVERY FUND – PHASE 1

The Guernsey Sports Commission has secured funding from the Social Investment Fund Covid 19 Community Charity Appeal to help support Member Clubs and Sports Organisations who have suffered financial losses as a direct result of lockdown.

This first phase of financial support aims to cover immediate financial difficulties – we hope to introduce a second phase in support of more long-term difficulties in the future.

We encourage applications from individual clubs and/or sports on the following basis:

- We will provide a maximum grant of £3,000
- We encourage applications from smaller community clubs and sporting organisations where a small amount can make a real difference.
- Funding will be allocated to cover losses incurred as a direct result of lockdown. Examples include loss of membership fees, rent payments, maintenance costs, losses as a result of events cancelled during lockdown etc.
- There is no application form – we want this process to be as easy and as stress free as possible.
- Applications must be made to Steve Sharman by **15th July 2020**. You can apply through discussion with Steve. Please call him on 07960 148377

Should an individual club or sporting organisation require financial support of more than £3,000 we would encourage you to apply to the SIF via the Guernsey Sports Commission. SIF has recommended that the Commission collates any such requests for funding on behalf of clubs/sporting organisations and submits them on the organisation's behalf. We will review your application and provide any necessary additional information to SIF in support of your application.
