

GUERNSEY SPORTS COMMISSION COMPLAINTS PROCEDURE

In the event of a complaint being made against the Guernsey Sports Commission LBG the following procedure shall be adopted.

1. The complaint will initially be reported to the Director of Operations of the Guernsey Sports Commission who shall investigate the matter in a timely manner in order to ensure that there is no unreasonable delay.
2. The Director of Operations shall request the complainant to submit their complaint in writing and shall on receipt of the written complaint investigate the matter. Such investigation shall encompass asking any member of staff who is complained about to provide an account of the matter being investigated such account to be in writing.
3. Having received the written complaint and the written response the Director of Operations may ask for additional clarification from either party or any third party who witnessed the incident giving rise to the complaint. In addition, he/she may consult any external agency (where relevant) for an expert opinion as to good practice such consultation to be on a “no names” basis, if possible.
4. Having investigated the complaint the Director of Operations shall write to the complainant (with a copy of such letter being sent to the member of staff) advising the complainant of the result of the investigation, a copy of the letter also being sent to the Chairman of the Guernsey Sports Commission.
5. If either the complainant or the member of staff is not satisfied with the outcome of the investigation by the Director of Operations they may appeal in writing within 7 days of the letter from the Director of Operations, setting out the grounds of appeal and requesting the Chairman of the Guernsey Sports Commission to establish an appeal panel consisting of three Directors to consider the appeal.
6. The panel shall have total discretion in the manner in which they deal with investigating the complaint. They shall publish their decision in writing which shall be communicated to both parties and the Director of Operations. Their decision shall be final.
7. In the event that the complaint is a complaint about the conduct of the Director of Operations then the matter will be investigated by the Chairman of the Guernsey Sports Commission. The investigation procedure shall follow the procedure outlined above with the consequential amendment of substituting the words Chairman for Director of Operations where appropriate in the above text.
8. Where the Director of Operations, or the appeal panel, consider it appropriate (in their absolute discretion) they may depart from this procedure and/or adapt such procedure as they consider fair in the circumstances of any particular complaint.
