The Guernsey Sports Commission School Sports Partnership

The Guernsey Sports Commission has a team of experienced and passionate staff working in schools helping to provide a positive and inclusive experience of PE and sport. We work with all children throughout their primary school education.

We do this by:

- ✓ Developing teachers' understanding and knowledge of PE and Sport
- ✓ Developing our own practice by learning from teachers
- ✓ Supporting the delivery of high-quality Physical Activity in schools by helping to upskill teachers
- ✓ Promoting the diversity of Sport and Physical Activity
- ✓ Ensuring a fun and positive experience of PE for all
- ✓ Signposting sporting activities outside of school and identifying opportunities for greater participation
- ✓ Funding sporting opportunities for individual children where cost is a barrier
- ✓ Acting as a positive role model for teachers and children
